RE: Extension of Stratford Road to  
Roxbury Drive.

Dear John:

Pursuant to our conference with Charles Cogdell on April 17, 1973, enclosed is revised petition in duplicate for the opening of Stratford Road to Roxbury Drive to be adopted by the Board of Public Works, to be published in the newspapers and confirmed on final hearing.

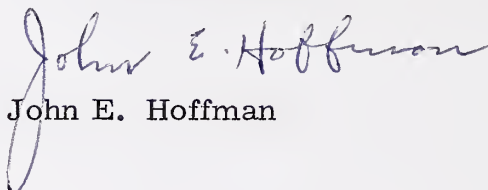

You will note we have attached to the petition the contract between the property owners and the Park Board which provides for any improvements of the street, if and when made, to be paid for by the adjoining property owners and not the Park Board.

The adjoining owners do not at this time plan any public improvements. They simply want the right of way officially opened as the parties concerned had thought occurred in 1958 when the Park Board adopted a resolution giving their consent to the dedication of this extension.

Dear Jerry:

Pursuant to our recent conference, enclosed is petition to the Board of Works signed by nine property owners on Stratford Road located immediately North of the proposed extension and six property owners on Southwood Avenue at the South end thereof, expressing their opposition to the improvement or pavement of said extension of Stratford Road and to the improvement or pavement of Roxbury Drive from said extension to Southwood for the reasons stated.

Mr. and Mrs. Russell Krauhs, who are purchasing the property at the Northeast corner of the proposed extension of Stratford and Roxbury, have agreed to maintain said adjacent rights of way, keep them mowed and free of trash and rubble, etc.

Will you, therefore, please process the street opening resolution which we have presented to the Board by the adoption of said resolution and the preparation of notice as required by Statute (Burns 48-2001).

TO: Board of Public Works

RE: Pavement of Stratford Road  
Extended and Roxbury Drive

WHEREAS, the Board of Works of the City of Fort Wayne now has under consideration the opening of Stratford Road from its present terminus to Roxbury Drive (as originally planned and laid out in the year 1958).

WHEREAS, question has arisen as to the pavement of said extension of Stratford Road and of the pavement of Roxbury Drive from said extension to Southwood Drive, both of which rights of way are now totally unimproved, and the Board of Works has requested an expression from adjoining property owners on Southwood Drive and Stratford Road as to said paving.

NOW, THEREFORE, the undersigned owners of property on Southwood Drive and Stratford Road herewith express their opposition to the pavement of Roxbury Drive and to said extension of Stratford Road, for the following reasons, namely:

1. The pavement of said streets is unnecessary for ingress and egress to the area;
2. If said streets are paved, said pavement will destroy the natural beauty of the area;
3. There is no necessity for the pavement of said streets;
4. If said streets are paved, it is felt they may create a "raceway" for <sup>those</sup> using Foster Park.

Declaratory Resolution No. 1339-1973 which provides for the opening of Stratford Road from the intersection at Roxbury Drive to a point approximately 310 feet north is attached.

This opening was requested by Attorney Charles Cogdell on behalf of his client to clear controversy concerning the legal existence of this portion of Stratford Road.

This department prepared a waiver for public hearing to expedite the proceedings. However, Mr. Cogdell was unable to secure the necessary signatures, and is therefore requesting the regular public hearing be set and normal process followed.

RE: Opening of Stratford Road a distance  
of approximately 250 feet from pre-  
sent terminus to Roxbury Drive.

Dear Jerry:

Pursuant to our recent telephone conference, enclosed is a diagram of the existing street and houses affected by the above proposal, including an existing crushed stone private drive over the North part of the section of the street to be opened.

Also in the file are pictures taken from the various points shown on the diagram.

This diagram and the pictures were taken by Realtor Joseph Laudadio.

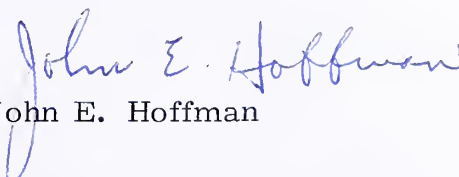

It is my understanding that you may want to review the enclosure and may want to look at the site before our scheduled meeting on Wednesday, May 23, 1973, at 10:00 a. m.

The property owners involved only want the right-of-way for the street opened officially to confirm the proceedings that were started back in 1955 so that they have a legal right-of-way entrance to their property from Stratford.

They are opposed to improving the right-of-way to city standards, as they feel it is dead-end and would serve no legitimate purpose.

JEH:ps
